

Join Us for  
**THE 2ND ANNUAL  
ALL RISE LIVE GLOBAL SUMMIT - CHICAGO**  
**July 25-26 2024**

**The Revival of Your Authentic Self.  
How to Speak Your Visions to Power**

**Location:** Convene,  
311 W. Monroe St.  
Chicago

**Host Hotel:** Canopy  
by Hilton Chicago -  
Central Loop

**Why the All Rise Live Global Summit is Necessary:** Despite eighty percent of corporate women saying they want to be promoted to the next level, the “Great Breakup” persists. Women – especially women of color – have remained underrepresented across the corporate pipeline, *according to an October 2023 study.*

**All Rise Live Global Summit Mission:** We seek to spark a revival for ALL Corporate Women to RISE to their authentic self, to embrace their self-worth, to heal, and to be bold and confident in advocating and speaking up for themselves, and for the issues that impact inequities they care about - and to mentor, advocate for, and serve others to do the same.

**Corporate women will learn to:**

- Trust their most powerful asset - their authentic voice, and understand how to effectively use it to get promoted to the next level, in their corporate work.
- Confidently speak up and advocate for themselves about the flexibility they need to stay in their roles, without fear of retaliation.
- Effectively handle the acute stress that often negatively impacts women in their careers.
- Adopt habits to support their well-being.
- Become effective mentors, sponsors, allies, and advocates.
